Banquet Bars and Drink Services
Available at your site or ours.

Wedding Bar Services

Typically the wedding bar services are for 4 hours. 1 hour prior to dinner while your guests mingle and wait for your arrival. The bar closes for dinner and opens back up till the end of the event (usually 3 hours). You can add time to the bar and you can get it for as few hours as you would like. We can tier the bars however you would like and add single options if you choose.

Beer, Wine and Soda Bars

If you don't need a full bar, we have options for beer, wine and soda bars. A nice addition to a graduation or retirement party.

Picnic Barrels

When you are having a picnic catered and there are 50 people or more, we have pricing for barrels of beer. A perfect addition to a tailgate party or picnic/pigroast.

Custom Bars

You tell us what you want or what you want added to another package and we'll get you the pricing.
